INTERNATIONAL SEARCH REPORT

This International Search Report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons: 1. X Claims Nos.: because they relate to subject matter not required to be searched by this Authority, namely: Al though claim 13 is directed to a method of treatment of the human/animal body, the search has been carried out and based on the alleged effects of the compound/composition. 2. Claims Nos.: because they relate to parts of the international Application that do not comply with the prescribed requirements to such an extent that no meaningful international Search can be carried out, specifically: 3. Claims Nos.: because they relate to parts of the international Search can be carried out, specifically: 3. Claims Nos.: because they relate to parts of the international Search can be carried out, specifically: This international Searching Authority found multiple Invention is lacking (Continuation of item 2 of first sheet) This international Searching Authority found multiple Inventions in this international application, as follows: 1. As all required additional search fees were timely paid by the applicant, this International Search Report covers all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any editional fee. 2. As all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any editional fee. 3. As only some of the required additional search fees were paid, specifically claims Nos.: 4. No required additional search fees were timely paid by the applicant. Consequently, this International Search Report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:	Box I	Observations where certain claims were found unsearchable (Continuation of item 1 of first sheet)
